staging the atmosphere in your  
room (Sento)

**luminaire**  
control individual  
luminaires

**group**  
control multiple luminaires  
synchronised

**scene**  
create lighting scenes and  
recall them

Occhio air controller

# The Occhio air system

## Occhio air controller

The Occhio air controller is available in four colors as a mobile desk version or with a wall fixture.

## Occhio air app

The Occhio air app is available in the App store or in the Google Play store for your tablet or smartphone.

Occhio air  
powered by  
Casambi

## Sento air head

The Occhio air control system can be directly integrated into the luminaire heads of the Sento system if desired – independent of any house automation. Thus the lights can be operated directly via bluetooth – without additional installation effort. While the built-in up-down fading with double-sided heads provides never achieved effects in your room.

Sento Sento sospeso

## Occhio air module

For all other trailing-edge phase cut dimmable Occhio wall- and ceiling luminaires recessed versions or surface mounted versions are available.
